unifrog

What is Unifrog?

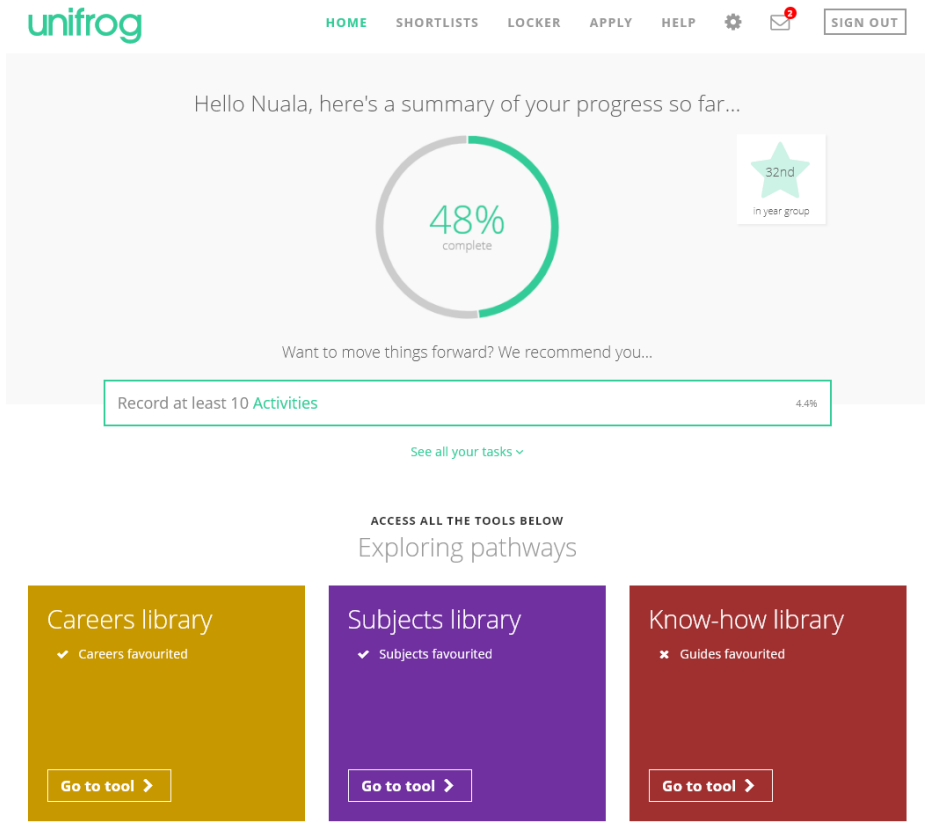
Unifrog is a one-stop-shop where students can easily explore their interests, then find and successfully apply for their next best step after school.

Unifrog will help you to explore your key interests and what career paths you can take to reach your goals!

unifrog

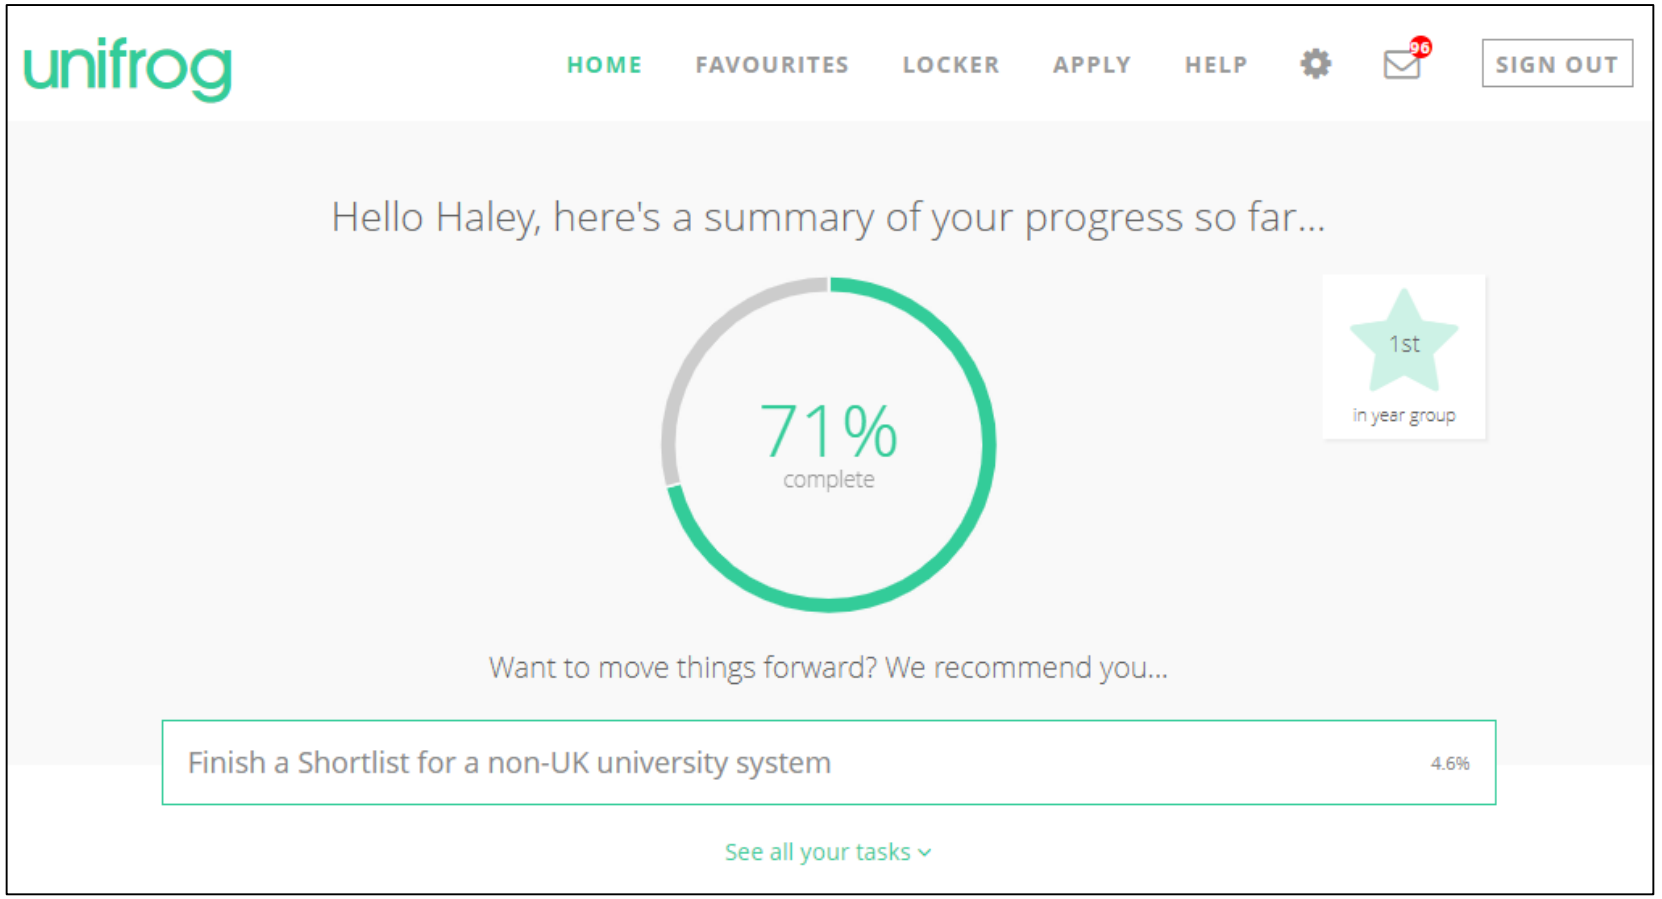
By the end of today's session, we will have:

- Understood how Unifrog can support your future decision-making and career options.
- Explored some of the exciting features of the platform.
- Created your very own personal Unifrog accounts!



unifrog

Introduction to Unifrog for Y7-9 / P7-S2



unifrog

unifrog

Exploring pathways

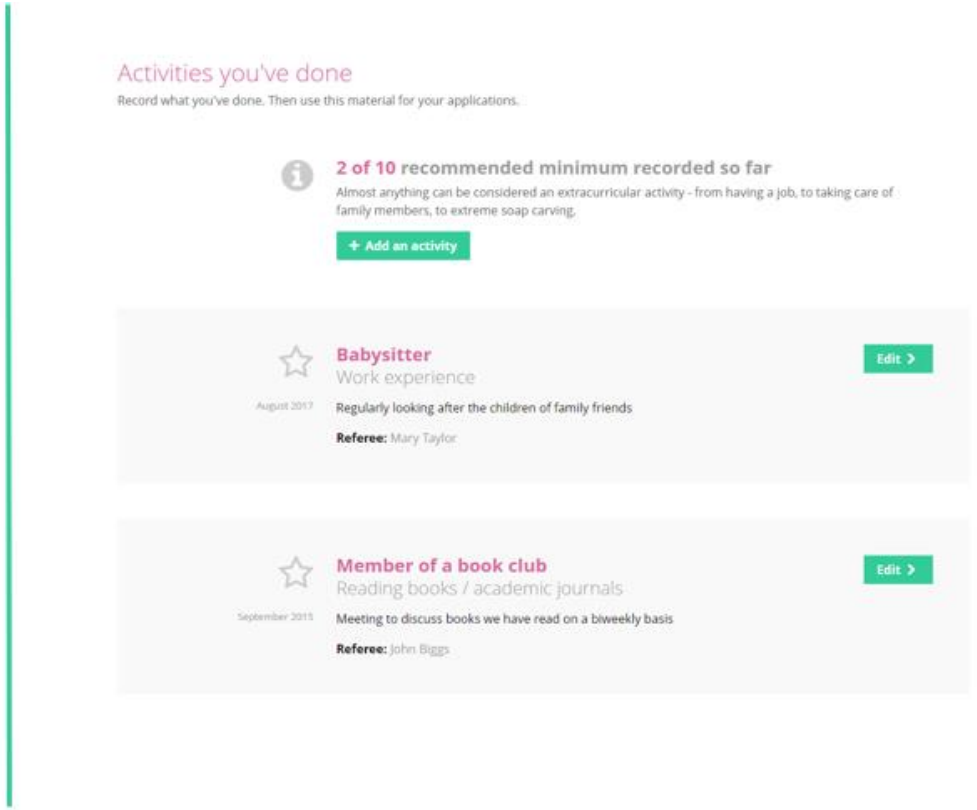
Use the tools in the *Exploring pathways* section to research the career pathways and subject fields that lie beyond school or college, and understand how to access them.

- Careers library
- Subject library
- Know-how library
- MOOC
- Personality profile
- Interests profile

unifrog

Recording what you have done

Use the tools in this section to start *Recording what you have done*, using guidance and examples to prepare yourself for making applications.



unifrog

Searching for opportunities

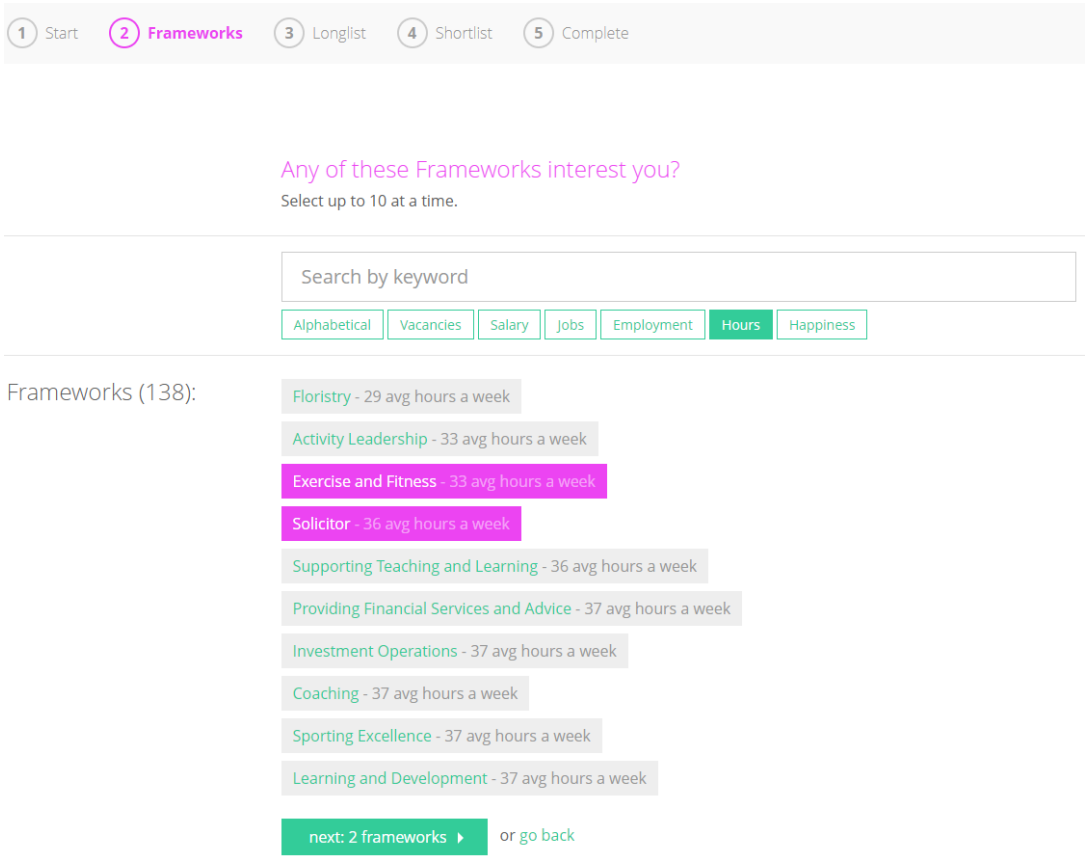
Use the tools in the *Searching for opportunities* section to compare universities, degree options, apprenticeships and college courses.

- UK universities
- US universities
- European universities
- Oxbridge
- Apprenticeships
- College / Sixth Form
- Canadian universities
- Asian universities
- Australasian unis
- Special opportunities
- Middle Eastern unis

unifrog

Find Apprenticeships that interest you

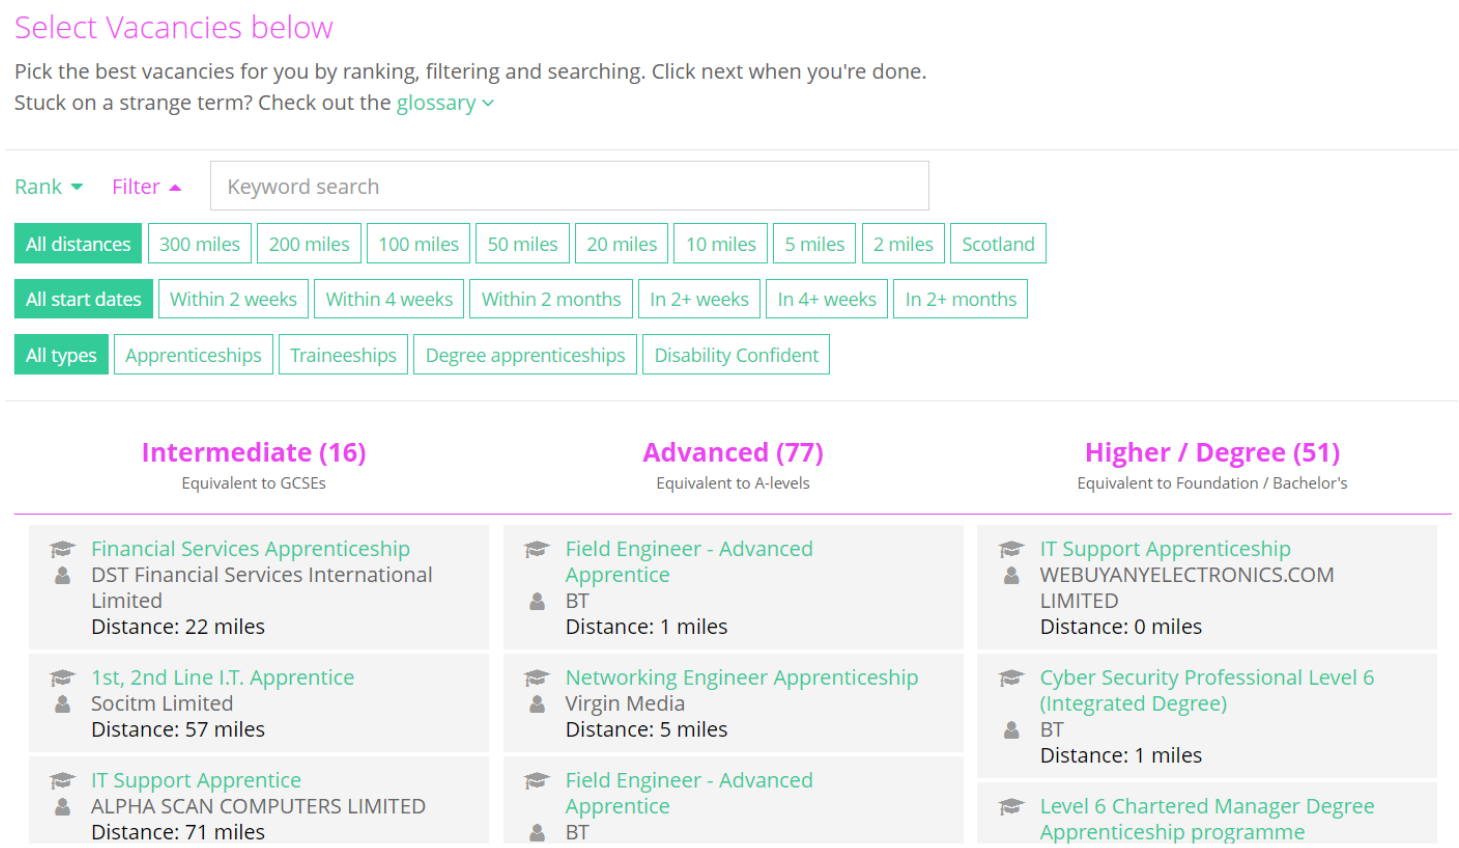
Updated every 24 hours, use Unifrog to find apprenticeships which interest you. There are three levels of apprenticeships available; choose the level that works for you with the qualifications you already have and what you want your next step to be.



unifrog

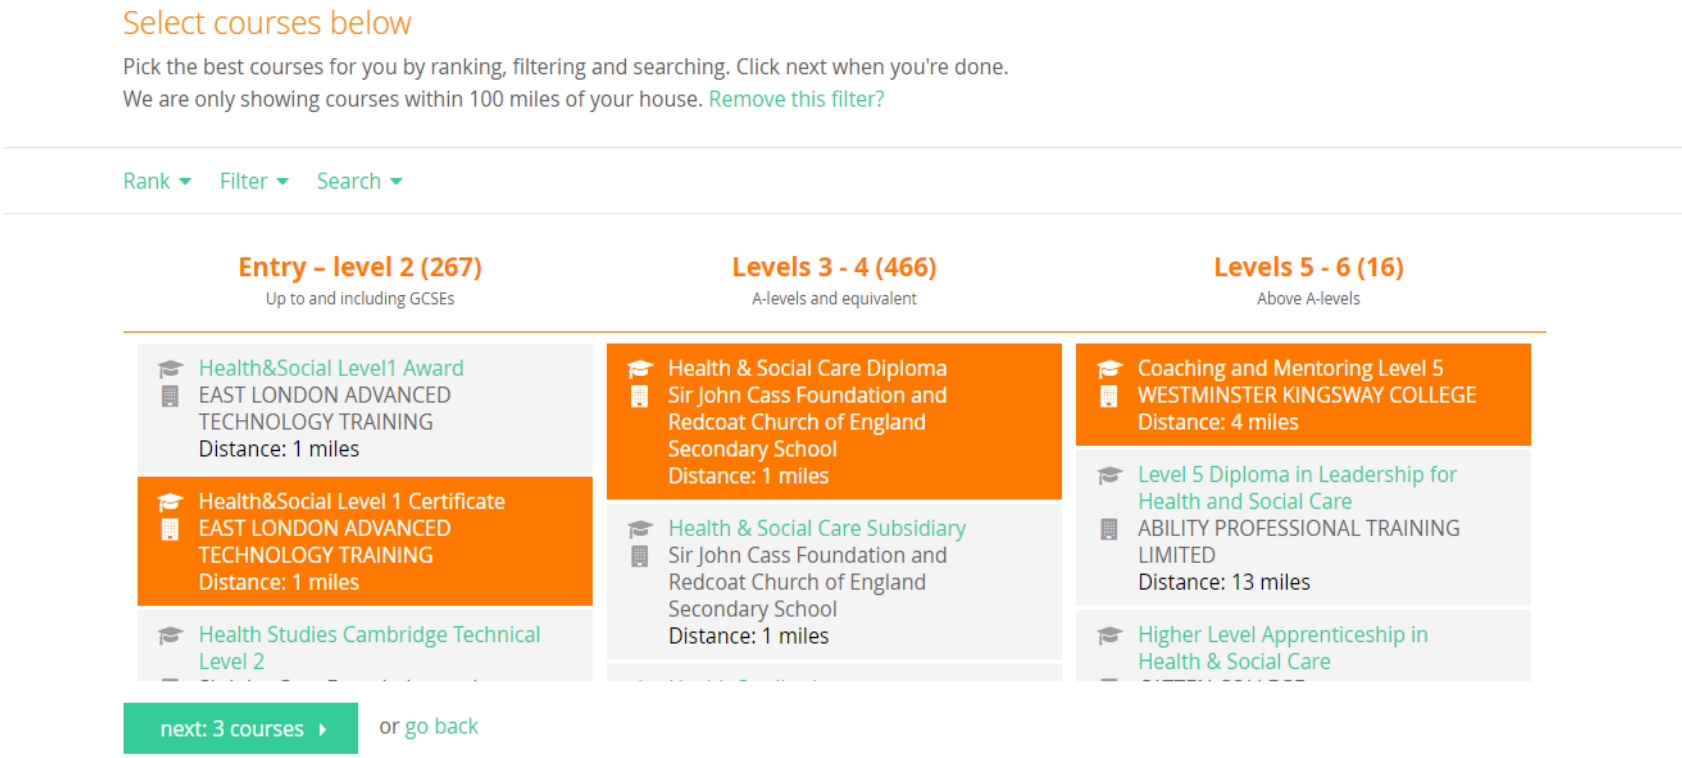
Rank and filter Apprenticeships

Rank and filter apprenticeships to narrow down your searches to what is most important to you.



Compare colleges and sixth form courses

Unifrog helps you to compare colleges and sixth form courses at different levels so you can find what's suitable for you.



unifrog

Shortlist your favourite courses before applying

Your Shortlist has been emailed to you.

What to do next...

Download your Shortlist

Before you apply:

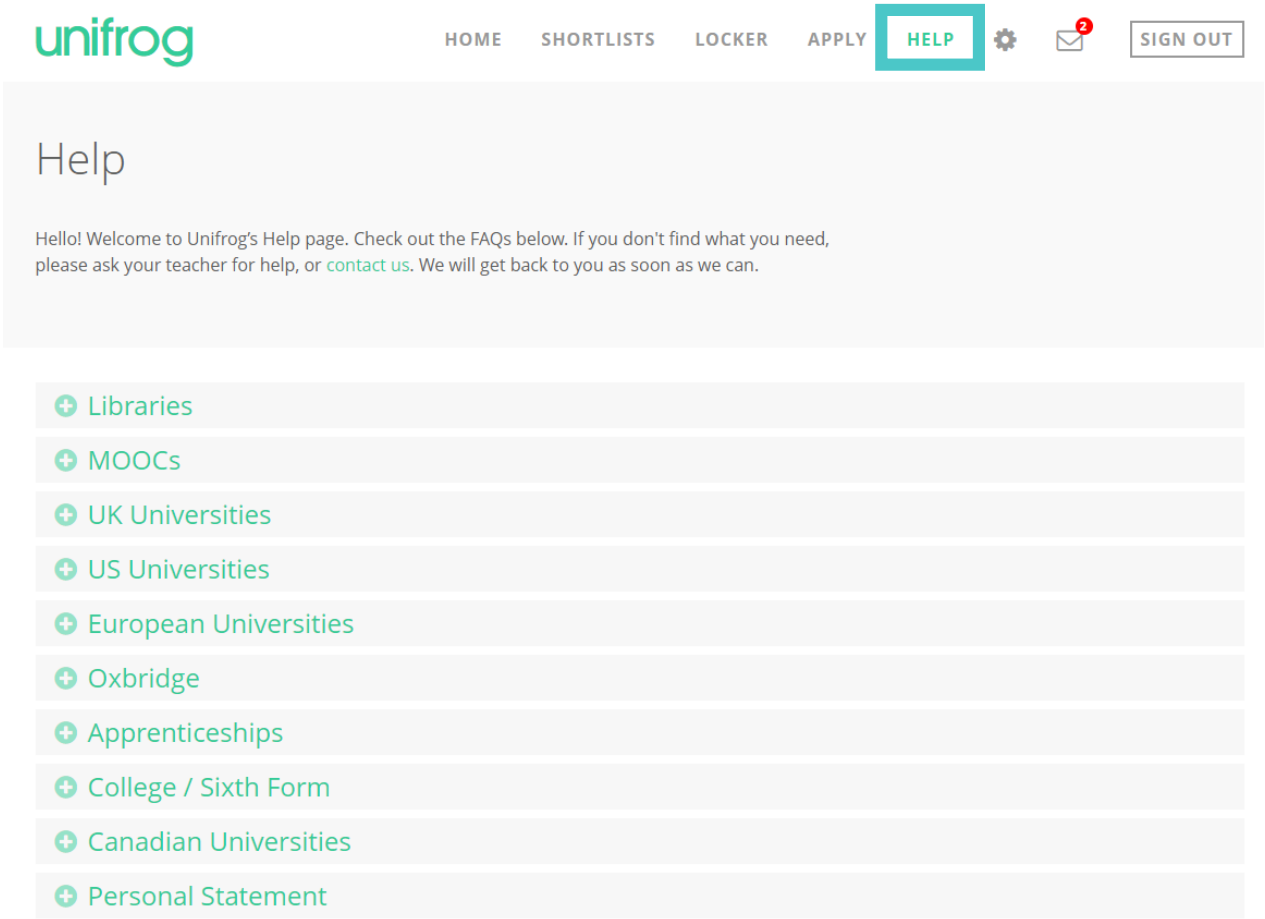
1. Check out the Know How Library for lots of tips and info on Colleges and Sixth Forms.

unifrog

We hope you enjoy using Unifrog!

Use the help section if you need a guide or want some more information about the tools.

If you get stuck, ask your teacher for help!



unifrog

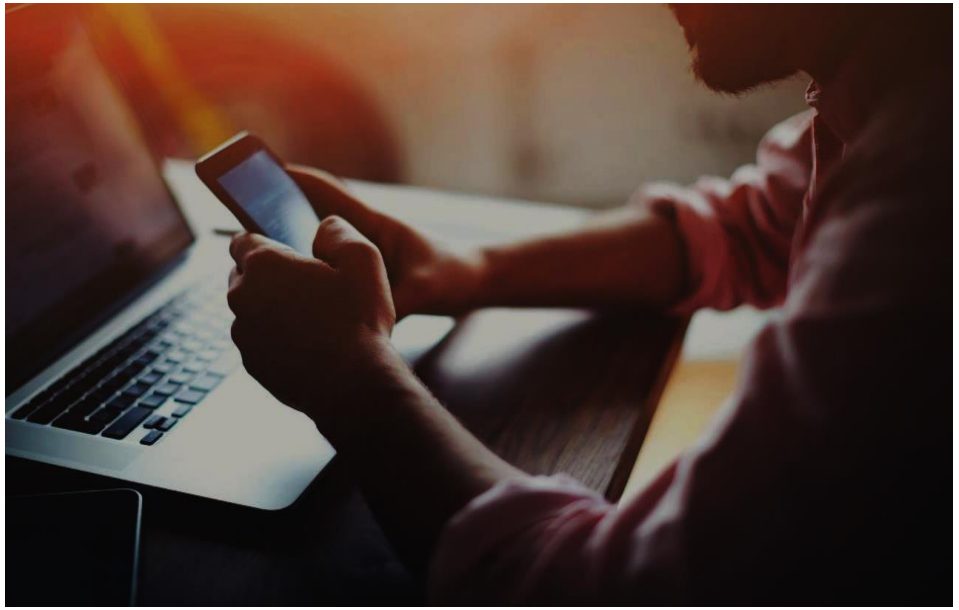
How can Unifrog help me now?

- Explore which subjects you would be interested in studying post-16 and how these choices can lead to different career paths and further education.
- Discover and sign up to online courses in areas that you're interested in and see what is needed to make a successful application to a College/Sixth form.
- Explore how to successfully apply to an apprenticeship or university course, including universities abroad.
- Support in writing a CV and Cover letter.
- Record key activities and achievements to use in your application.

unifrog

Creating your account

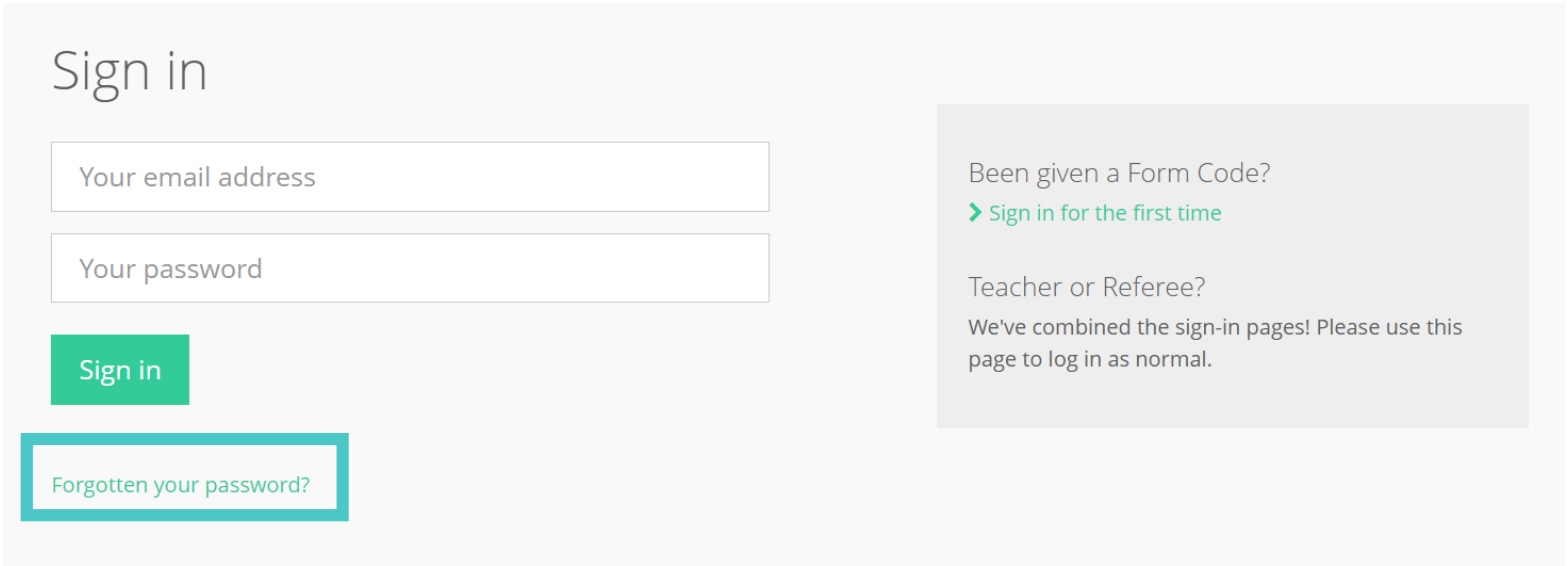
- A link has been sent to your school email address (please check your junk/spam mailboxes).
- Click the link and follow the instructions.
- Create a memorable password.
- Make a note of your password.



unifrog

Every time you login to Unifrog from now on, sign in here

If you forget your password, hit the link to reset (remember to check your junk/spam just in case!)



unifrog

In summary

- Unifrog can help you make decisions now about your college and sixth form choices and what you want to study.

- Later, it will help you choose the university or apprenticeship that's right for you.

- Be smart. Get ahead of the game!
